Donald F. Bethel

PRESENTING

THE 1972 TROJAN

*Crab Orchard High School
Crab Orchard, Illinois*

IN MEMORIAM

MRS. DOROTHA DAVENPORT
(March 9, 1908 - September 12, 1971)

"Miss Dorothy," as she was called by so many of her students, is missed greatly at Crab Orchard High School. She was a dedicated teacher, and it isn't quite the same without her.

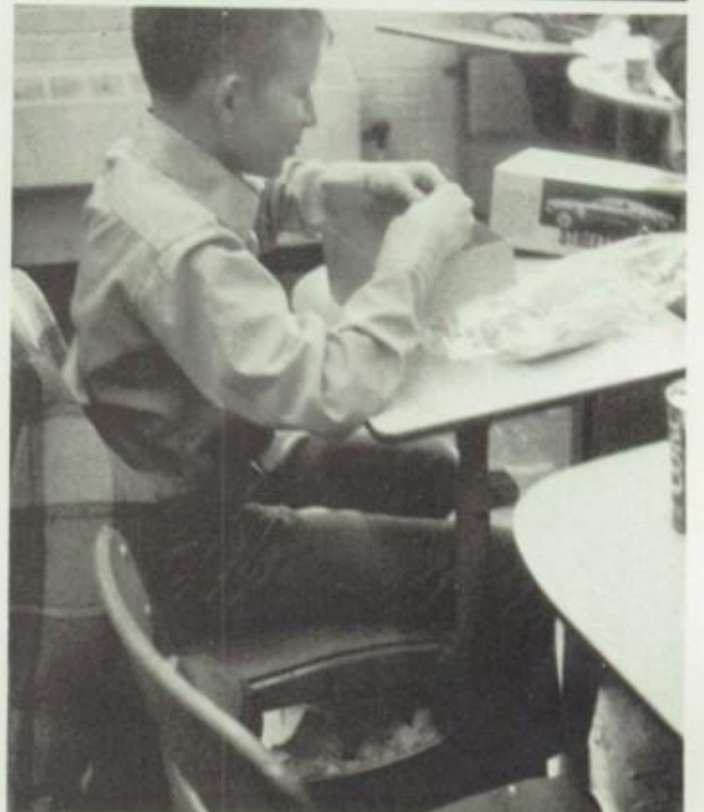

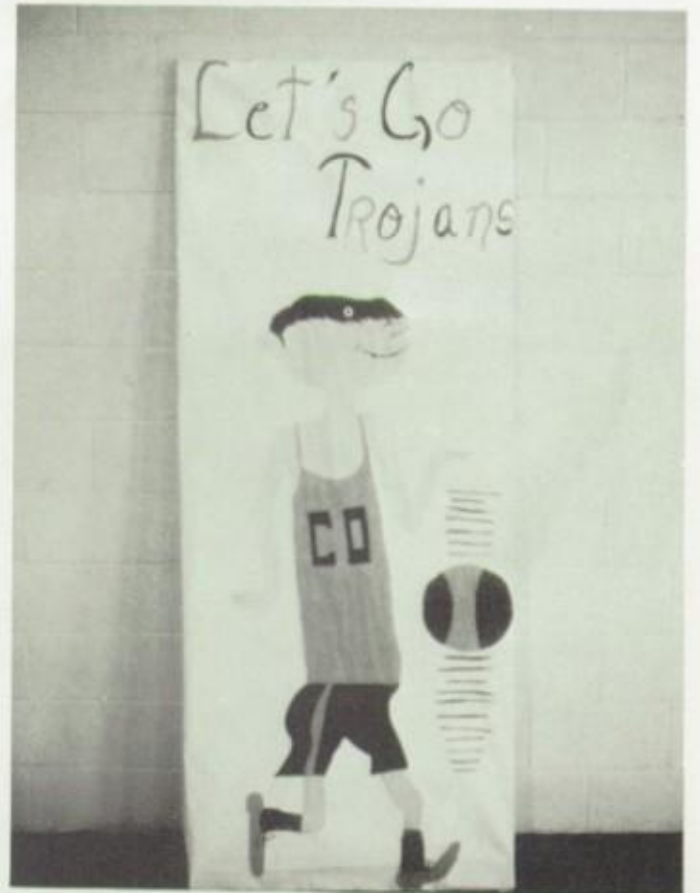

"Miss Dorothy" taught in Unit 3 Schools for a total of 18 years, in both elementary schools and in the high school. In the past few years, she taught English III and was Librarian and Guidance Counselor. She attended Xenia High School and received her Bachelor of Science in Education and Master of Science in Education on August 14, 1959, from Southern Illinois University.

She will be remembered as one who would go out of her way to help anyone who asked and could always see the good instead of the bad in people.

Student Council

The Student Council helps to create understanding between students and teachers and helps to maintain school spirit. The members are expected to keep the wishes of the student body in mind when making important decisions. Each year the Council takes charge of Student Week, assembly programs, and Homecoming activities. It also meets with other Councils to discuss problems in communities surrounding the schools, and members attend local and state conventions.

The '72 Trojan Staff has worked and planned to try to make this the best yearbook ever. Many hours have been spent putting this book together.

It could not have been possible without the assistance and patience of our sponsor, Mrs. McCollum. All of our work will have been worthwhile if in years to come it helps to recall good memories of "dear old" COHS.

Who's Who

Who's Who Among High School Seniors is one of the largest scholarship organizations in the United States. This is the first year that Crab Orchard High School has participated in it. The high school biographies of the selected seniors are published in volume that is placed in college and university libraries all over the country. Selection is based

on civic activities, scholarship, leadership ability, and overall high school achievement. After the biographies are published in the book, WHO'S WHO IN HIGH SCHOOLS, the students are eligible for scholarships to many colleges and universities. Those selected from our school were Gayla Mausey, Ronald Sims, and Carol Jordan.
